Postcard No. 8916.
ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

By Appointment.

Avenida de Mayo. The inhabitants of Buenos Aires call it 'The Paris of America.' and the picture shows that it has fine boulevards, with many elaborately ornamented public and business edifices, many of them in the French Renaissance style. It is now the largest city in South America, with well over a million and a quarter inhabitants, one-third of whom are Italians.
